**NO. 05-74**

**SUBJECT: CLARIFYING THE REQUIREMENTS AND/OR CONDITIONS  
FOR THE USE OF THE AFP (OCR-PICAG) ASSIGNED  
FREQUENCIES FOR CIVIC ACTION PURPOSE**

---

Further to Memorandum Circular No. No. 30 of this Bureau date June 14, 1973, the use of the AFP (OCR-PICAG) – assigned frequencies 143.12 MHz, 143,235 MHz, 143.52 MHz, and 143.55 MHz for civic action purposes is authorized by the Telecommunications Control Bureau (TCB), with the Office for Civil Relation (OCR) to exercise immediate supervision over the use of said frequencies by members of civic action groups affiliated with OCR-PICAG, subject to the following requirements and/or conditions:

1. The user must possess either a Restricted Land Mobile Radiotelephone Operator Permit; and Amateur Class “A”, “B”, or “C” Operator License;; or a First, Second, or Third Class Commercial Radiotelephone or Radiotelegraph Operator License.
2. The radio communication equipment of each use and the operation thereof must be covered by a permit to purchase/possess and a station license. TCB waives the required construction permit for the installation of the station. For purposes of enforcement and/or inspection by duly authorized representatives of TCB or OCR, a station license is sufficient to be shown by an OCR-PICAG member as evidence of legal operation of his station.
3. The user should comply with the clearance requirement as prescribed in TCB Memorandum Circular No. 1 dated July 01, 1974 for his application for a station license or operator permit/license.
4. The license so issued by TCB for the operation of the radio station under the arrangement shall be subject to the existing radio laws and regulations, and that said license is automatically cancelled/revoked when the user concerned ceases to be a member of the organization or association to which he is affiliated with and his name taken out from the roster of OCR-PICAG, upon the recommendation of OCR.
5. Each user shall be allowed by TCB to have and operate one mobile radio station only.
6. Members of OCR-PICAG shall not be authorized to have and operate their own individual land base stations.
7. Each civic action group affiliated with OCR-PICAG may be allowed by TCB to operate one land base station upon the recommendation or OCR.
8. OCR is authorized by TCB to allow the temporary installation and operation of a land base and/or mobile by a member of OCR-PICAG during any calamity or emergency in such place/places when urgently needed, with due mortification to TCB.
9. Active members of OCR-PICAG affected hereby who presently own or possess radio communication equipment intended for the purposes of this Circular, are

- here by given a grace period up to December 31, 1975 to file with TCB their applications for the legalization of the possession and operation of their stations, which must be duly recommended by their respective organizations and/or associations and the OCR. Likewise, those members who do not possess any of the required radio operator licenses/permits may apply and take the examination for Restricted Land Mobile Radiotelephone Operator Permit which TCB is giving every Wednesday at its main office in Quezon City. For this purpose, they are given by TCB a similar grace period due to December 31, 1974 to qualify in said examination and to secure the corresponding operator permit.
10. All communications from members of OCR-PICAG is intended for TCB regarding the use of subject frequencies and the operation of their stations should be coursed thru OCR.
  11. Those not complying with the above requirements who may be found possession if and/or operating a radio station using any of the subject frequencies after December 31, 1974, will be apprehended and investigated by TCB in accordance with the provisions of the Radio Control Law, Act No. 3846, as amended, and Presidential Letter of Instruction No. 13-A.
  12. OCR-PICAG Members with licensed amateur radio stations who are authorized to operate on the two-meter band, are allowed by TCB use the AFP(OCR-PICAG) – assigned frequencies for civic action purposes using their WHF transceiver equipment.
  13. Violations of existing radio laws and regulations in the operation of radio station under this Circular will be investigated by TCB in coordination with OCR.

This Circular shall take effect immediately. Any order, circular or instruction or part thereof which is inconsistent herewith is amended or superseded accordingly.
