

MEMORANDUM CIRCULAR
NO. 75-11

**SUBJECT: PROVIDING A SCALE OF ADMINISTRATIVE PENALTIES IN
 THE FORM OF FINES OF VIOLATIONS OF RADIO LAWS &
 REGULATIONS.**

Pursuant to Presidential Letter of Instruction No. 13-A dated September 29, 1972, and the penal provisions of Act 3846, as amended, the following Scale of Administrative Penalties in the form of fines is hereby prescribed for violations of existing radio laws and regulations

SCALE PENALTIES

FOR PERSONS/INDIVIDUAL

	With Admission of Charge(s)	Without Admission of Charge(s)
I. ILLEGAL POSSESSION OF:		
a. High-powered radio transmitter/transceiver	P200.00	P500.00
b. Medium powered radio transmitter/transceiver	140.00	340.00
c. Low-powered radio transmitter/transceiver	70.00	170.00
II. ILLEGAL CONSTRUCTION OF:		
a. High-powered radio transmitter/transceiver		
1. With Permit to Possess	P300.00	500.00
2. Without Permit to Possess	500.00	700.00
b. Medium-powered radio transmitter/transceiver		
1. With Permit to Possess	P200.00	340.00
2. Without Permit to Possess	340.00	480.00
c. Low-powered radio transmitter/transceiver		
1. With Permit to Possess	P100.00	170.00
2. Without Permit to Possess	170.00	240.00
III. ILLEGAL OPERATION OF:		
a. Station Utilizing High-powered radio transmitter/transceiver		
1. With Permit to Possess and with permit to construct	P500.00	1,200.00
2. With Permit to Possess but without permit to construct	750.00	1,400.00
3. Without Permit to Possess and without Permit to construct	1,000.00	1,630.00

4. Allowing the operation of a radio by an unlicensed operator	500.00	1,200.00
5. Use of unauthorized frequency	500.00	1,200.00
6. No logbook	50.00	50.00
b. Station utilizing medium-powered radio transmitter/transceiver		
1. With Permit to Possess and with Permit to Construct	P340.00	P800.00
2. With Permit to Possess but without permit to Construct	500.00	940.00
3. Without Permit to Possess and without Permit to Construct	780.00	1,090.00
4. Allowing the operation of a radio station by an unlicensed operator	340.00	80.00
5. Use of unauthorized frequency	340.00	800.00
6. No logbook	50.00	50.00
c. Station utilizing low-powered radio transmitter/transceiver		
1. With Permit to Possess and with Permit to Construct	P170.00	P400.00
2. With Permit to Possess but without Permit to Construct	250.00	470.00
3. Without Permit to Possess and without Permit to Construct	340.00	545.00
4. Allowing the operation of a radio station by an unlicensed operator	170.00	400.00
5. Use of unauthorized frequency	170.00	400.00
6. No logbook	50.00	50.00

IV. ILLEGAL SALE (per unit)

a. High-powered radio transmitter/transceiver	P100.00	P250.00
b. Medium powered radio transmitter/transceiver	70.00	170.00
c. Low-powered radio transmitter/transceiver	35.00	85.00

FOR COMPANY, ASSOCIATION OR CORPORATION

I. ILLEGAL POSSESS OF:

a. High-powered radio transmitter/transceiver	P500.00	P1,250.00
b. Medium powered radio transmitter/transceiver	340.00	840.00
c. Low-powered radio transmitter/transceiver	170.00	420.00

II. ILLEGAL CONSTRUCTION OF:

a. High-powered radio transmitter/transceiver		
1. With Permit to Possess	P750.00	P500.00
2. Without Permit to Possess	1,250.00	1,750.00
b. Medium-powered radio transmitter/transceiver		
1. With Permit to Possess	560.00	840.00
2. Without Permit to Possess	840.00	1,570.00
c. Low-powered radio transmitter/transceiver		
1. With Permit to Possess	280.00	420.00
2. Without Permit to Possess	420.00	590.00

III. ILLEGAL OPERATION OF:

a. Station Utilizing High-powered radio transmitter/transceiver		
1. With Permit to Possess and with permit to construct	1,250.00	3,000.00
2. With Permit to Possess but without permit to construct	1,875.00	3,500.00
3. Without Permit to Possess and without Permit to construct	2,500.00	4,075.00
4. Allowing the operation of a radio by an unlicensed operator	1,250.00	3,000.00
5. Use of unauthorized frequency	1,250.00	3,000.00
6. No logbook	120.00	120.00
b. Station utilizing medium-powered radio transmitter/transceiver		
1. With Permit to Possess and with Permit to Construct	840.00	2,000.00
2. With Permit to Possess but without permit to Construct	1,250.00	2,340.00
3. Without Permit to Possess and without Permit to Construct	1,780.00	2,720.00
4. Allowing the operation of a radio station by an unlicensed operator	840.00	2,000.00
5. Use of unauthorized frequency	840.00	2,000.00
6. No logbook	120.00	120.00
c. Station utilizing low-powered radio transmitter/transceiver		
1. With Permit to Possess and with Permit to Construct	420.00	1,000.00
2. With Permit to Possess but without Permit to Construct	640.00	1,270.00
3. Without Permit to Possess and without Permit to Construct	840.00	1,360.00
4. Allowing the operation of a radio station	420.00	1,000.00

	by an unlicensed operator		
5.	Use of unauthorized frequency	P420.00	P1,000.00
6.	No logbook	120.00	120.00

IV. ILLEGAL SALE (per unit)

a.	High-powered radio transmitter/transceiver	200.00	500.00
b.	Medium powered radio transmitter/transceiver	140.00	340.00
c.	Low-powered radio transmitter/transceiver	70.00	170.00

V. VIOLATION OF THE TERMS AND CONDITIONS OF A RADIO STATION LICENSE OR PERMIT

A. For Persons/Individuals

1.	Off-Frequency Operation		
a.	High-powered radio transmitter/ transceiver	300.00	750.00
b.	Medium powered radio transmitter/ transceiver	200.00	500.00
c.	Low-powered radio transmitter/ transceiver	100.00	250.00
2.	Operating beyond the authorized working hours, per hour or fraction of an hour		
a.	High-powered radio transmitter/ Transceiver	200.00	500.00
b.	Medium powered radio transmitter/ transceiver	150.00	350.00
c.	Low-powered radio transmitter/ transceiver	100.00	250.00
3.	Other operational violation which are attributable to the station owner		
b.	High-powered radio transmitter/ Transceiver	200.00	500.00
b.	Medium powered radio transmitter/ transceiver	150.00	350.00
c.	Low-powered radio transmitter/ transceiver	100.00	250.00

B. For Company, Association or Corporation

1. Off-Frequency Operation

a. High-powered radio transmitter/ transceiver	P600.00	1,500.00
a. Medium powered radio transmitter/ transceiver	400.00	1,000.00
b. Low-powered radio transmitter/ transceiver	200.00	500.00
2. Operating beyond the authorized working hours, per hour or fraction of an hour		
a. High-powered radio transmitter/ Transceiver	500.00	1,250.00
b. Medium powered radio transmitter/ transceiver	350.00	900.00
c. Low-powered radio transmitter/ transceiver	150.00	400.00
3. Other operational violation which are attributable to the station owner		
a. High-powered radio transmitter/ transceiver	500.00	1,250.00
b. Medium powered radio transmitter/ transceiver	350.00	900.00
c. Lower-powered radio transmitter/ transceiver	150.00	400.00

VI. ALLOWING THE OPERATION OF A RADIO STATION BY AN OPERATOR WITH AN INAPPROPRIATE RADIO OPERATOR RADIO OPERATOR LICENSE

For Persons/Individuals

a. High-powered radio transmitter/transceiver	300.00	750.00
b. Medium powered radio transmitter/transceiver	200.00	500.00
c. Low-powered radio transmitter/transceiver	100.00	250.00

For Company, Association or Corporation

a. High-powered radio transmitter/transceiver	500.00	1,200.00
b. Medium powered radio transmitter/transceiver	400.00	1,000.00
c. Low-powered radio transmitter/transceiver	200.00	750.00

VII. OPENING OF A RADIO TRAINING SCHOOL OR INSTITUTE WITHOUT A CERTIFICATE OF RECOGNITION GRANTED BY THE TELECOMMUNICATION CONTROL BUREAU (TCB)

(per school year or fraction thereof)

a. For Single Proprietorship	750.00	
b. For Company, Association or Corporation	1,500.00	

NTC Web Files

For purpose of this Circular, a low-powered station, a medium-powered or a high-powered station is one whose power output, irrespective of the class, except broadcast and television stations, is as follows:

- High-powered station - Below FIFTY (50) Watts
- Medium-powered station - FIFTY (50) Watts and above but below FIVE HUNDRED (500) Watts
- High-powered station - FIVE HUNDRED (500) Watts and above

A low-powered television or broadcast transmitter, a medium-powered broadcast or television transmitter or a high-powered broadcast or television transmitter is one whose powered output is as follows:

- High-powered station - 500 Watts or below
- Medium-powered station - Above 500 Watts but below One (1) kilowatt
- High-powered station - Above One (1) Kilowatt

The Director may increase or decrease any of the above-prescribed amounts of fine that may be imposed by him in each case or declare the confiscation of the subject equipment in favor of the Government whenever warranted by the attendant facts and circumstances.

This Circular shall take effect FIFTEEN (15) days following its publication in the Official Gazette.

CEFERINO S. CARREON
Acting Director
