

**MEMORANDUM CIRCULAR**  
**NO. 76-03**

**SUBJECT: PRESCRIBING SEPARATE LICENSES FOR EACH CLASS OF  
STATION IN THE AMATEUR SERVICES.**

---

In order to attain a uniform and consistent policy in the licensing of stations, it is hereby prescribed that, henceforth, each class of station falling under the Amateur Service shall be licensed separately. Consequently, separate applications therefor must be filed for each class, either for Amateur Fixed station, Amateur Mobile station or Amateur Portable station.

Any Amateur station license or permit previously issued in which more than one class of station is authorized shall remain valid but the holders thereof shall comply with the requirements provided herein on the next renewal of such license.

Any existing order, circular, memorandum, or instruction or part thereof which is inconsistent herewith is deemed amended or superseded accordingly.
