MEMORANDUM ORDER NO. 03-03-2020

To   :   **NTC CENTRAL OFFICE AND REGIONAL OFFICES
ALL CONCERNED**

Subject :   **EXTENDING THE VALIDITY OF NTC ISSUED PERMITS,
CERTIFICATES AND LICENSES DURING THE COVID-19
ENHANCED COMMUNITY QUARANTINE**

Date   :   **18 MARCH 2020**

All existing permits, certificates and licenses[1], including radio operator certificates, to operate radio communications equipment, networks and facilities, government or private, in various radio services such as but not limited to fixed and land mobile, amateur, aeronautical, maritime, satellite, special services, issued by the National Telecommunications Commission, expiring within March 15, 2020 to April 14, 2020 or during the Enhanced Community Quarantine Period shall continue to be valid sixty (60) days after the end of the government-imposed quarantine period.

Holders of these permits, certificates and licenses shall be given sixty (60) days from the end of the government-imposed quarantine period to file for the renewal of their permits, certificates and licenses, without penalties or surcharges. Thereafter, appropriate penalties/surcharges shall be imposed for late filing of its renewal.

Receiving of applications for initial (new) issuance of abovementioned permits, certificates and licenses is temporarily suspended until further notice.

For information and compliance.

GAMALIEL A. CORDOBA
Commissioner
